Ref: Pebble Project Environmental Baseline Studies Agency Meetings

Dates: January 31 – February 3

Location: Downtown Marriott Hotel - Anchorage

Happy New Year Everyone!

Please email an updated list of attendees from your agency that will be attending each day of our Pebble Project Environmental Baseline Studies Agency Meetings (I have attached a spreadsheet for you to fill out and a copy of the agenda). Please include if they will be staying for the provided lunch (as we need an accurate headcount).

<u>Pre-registration is required, only individuals that have been registered will be allowed into the presentation.</u>

The Pebble Project is pleased to offer you an invitation to remotely join the online WebEx broadcast of the 2012 Pebble Project Baseline Environmental Team Agency Meeting presentations that will occur at the Marriott hotel. This service is being provided to allow agency personnel who are unable to attend the meetings in person an opportunity to view and listen to the presentations real time via the internet. A WebEx broadcast will also be available for the public to observe the meetings. Further information and instructions for the WebEx broadcast will be distributed soon.

We have distributed DVD copies of the Environmental Baseline Document (EBD) to each of your agencies. I have attached a list of who at each agency received a copy of the DVD. Please contact that person for access to the EBD. It runs more quickly if you upload the DVD to your hard drive. We also encourage your agency to upload a copy of the EBD to your company network for easy access.

Please send your RSVP list back to my attention.

Thank you.
